

5S “Train the Trainers”

Certification Program

Program Objectives

This program is designed to equip trainers with the knowledge, skills, and tools they need to effectively teach 5S principles and practices within their organizations

Audience

The audience for a "Train the Trainer" course on 5S should be individuals who are in a position to lead, teach, and influence the adoption of 5S principles within the organization. Viz...

- Supervisors and Team Leaders
- Department Managers
- Quality Assurance/Control Personnel
- Health and Safety Officers
- Production Engineers
- Maintenance Supervisors

Batch Size

- Minimum 15 and maximum 20 participants in each batch. We strongly recommend that the batch size be restricted to 20 persons to ensure full inter-action with and attention to each participant.

Program Duration and Timings

- 4 days.
- Program to start at 9:30 am and end at 5:30 pm

Methodology

Combination of lectures, interactive sessions, group discussions, hands-on activities and case studies

Assessment

Participants will be awarded a “5S Trainer’s Certificate” subject to full attendance on all 4 days of the programme and securing a minimum level of marks in the various quiz, presentations and exercises administered during the programme.

Program Logistics

For inhouse programs, the following is to be provided by the host organisation.

- Training Venue and all related facilities (Projector, Screen, Collar Mike, Sound System etc.)
- Lunch / Tea / Coffee during the Programme Days
- Reimbursement of Faculty Travel Costs (Air or AC 1st) and stay and associated incidentals,
- One Master Set of “Course Material” will be provided by us.
- The host organisation should arrange for the required number of copies in the same style and format as the master set.
